

# Extra work if you want

A few other Creative ideas to try if you are feeling a little bored in the summer and have enjoyed completing all other Creative Arts tasks.

## **DT:**

Watch this video about Sir James Dyson and make notes ([http://www.youtube.com/watch?v=idpedDg\\_2ts](http://www.youtube.com/watch?v=idpedDg_2ts))

## **Cooking (Food Technology):**

Cook / bake a new recipe and analyse the positives and future developments take photos of your journey

## **ICT:**

Watch the film "The Imitation Game" Who is Alan Turing? What did he do? Why was it important

## **Drama:**

Watch a film you enjoy and makes some notes on how the actors are using their voice and facial expressions to show different emotions

## **Art:**

- Find your favourite Artist and your favourite piece of their work and recreate it anyhow you want, be creative; painting, drawing, collage, Lego, playdough- your choice- photograph it and save it for September.
- Look at Getty Museum's Challenge #BetweenArtandQuarantine Challenge.  
Recreate yourself into famous artwork and take a picture.

*Save all work you do for any of the transition tasks and bring with you on your first day in September so your teachers can celebrate what you have been up to.*
