Executive Principal: Mr Neil McShane

25 February 2021

Dear Parents and Carers

I hope you are all well and managed to get a break over the half term holiday.

Further to my last 'update' letter dated 3 February 2021, you will be aware that the Government has announced that schools should begin to fully reopen for on-site education from Monday 8 March 2021. They have decided this on the basis of:

"The overwhelming evidence that the risk to children and young people from SARSCoV-2 (the coronavirus that causes COVID-19) is low, but the risks to children and young people of being out of school and college are high and increase the longer restrictions on education are in force. Whilst education settings can be places where transmission occurs, there is no strong evidence of them driving large scale community transmission."

This means we are planning to open the Academy to all our students on a phased return from Monday 8 March 2021. We are looking forward to welcoming all students back and have been working hard, over the lockdown, to ensure we continue to make the Academy a safe environment.

The new Government guidance is for us to follow the same system of controls, as we put in place in September 2020, to ensure we create as safe an environment for staff and students as possible and where the risk of transmission of infection is substantially reduced. The Academy will thus continue in much the same way as from September 2020, with the students being separated into the same six 'micro-schools' separating the student body into the five year group 'bubbles' and a Sixth Form 'bubble'. The idea is still that these bubbles do not mix and so the school site will continue to be divided to ensure that any mixing across bubbles happens as little as possible. Each year group will thus continue to be taught in their distinct zone and be separate to other year groups and have separate eating and social areas, separate toilets, entrances and exits. This system worked well in the Autumn term.

In this letter, I have laid out the essential information first and then included supporting information in the Appendices. Please note though it is essential that you go through this information with your child before they return, so that everyone is aware of the expectations. Everyone on site will continue to have a responsibility to follow the Health and Safety expectations for the good of everyone in the community.

Testing

The Government want all Secondary schools to offer Rapid Testing using Lateral Flow Devices (LFD)s to support the return to face-to-face education by helping to identify any staff or students who are infectious but do not have any Coronavirus symptoms. We have thus set up an Asymptomatic Testing Site (ATS) for this purpose. Our experience of currently testing the few students we have on site shows us that testing all students will be a logistical challenge and the advice that 'Pupils should return to face-to-face education following their first negative test result' has led us to require a phased return over the first week from Monday 8 March. We are asked to offer three on-site tests to students and then the Government have pledged to supply LFD tests kits for students and staff to self-swab and test themselves twice a week at home. The students who have been supervised on site in this lockdown period have carried out the tests regularly and have readily adapted to them because they are self-swabbed.

Attleborough Aspires

Attleborough Academy is a member of the Sapientia Education Trust, a charitable company limited by guarantee registered in England and Wales (company number 7466353)

Whilst it is optional to take the test, it is obviously strongly recommended as a measure to allow us to continue to provide on-site education to the maximum number of students possible. Taking the test in school will also allow students to become familiar with the process before testing at home begins. The Government have asked us to prioritise the testing of Years 10 to 13, hence the year group order of the phased return. Planning for this testing has been a logistical challenge and has meant that we have had to change the natural order of return for year groups.

For testing, we will need parental consent and a separate Group Call from us has already been sent for this so please reply as soon as possible and certainly **before Monday 1 March** to help us in planning the lists for tests. Please note that any student who has a positive test result will need to be sent home to self-isolate and we will give further advice if this is the case.

In order to make the logistics of testing the whole school manageable on return, we will be offering the first tests for Year 10 to 13 in the week commencing Monday 1 March for those who can be brought in and then return straight home afterwards. A separate invitation will be sent out to those year groups.

Student Attendance

Attendance will be mandatory from the phased date of return as the Government expects all students to attend school. The usual rules will apply, meaning we will be recording attendance and following up on any absences.

Students should not come into school if they or anyone they live with is experiencing Coronavirus symptoms and instead follow the official self-isolation guidance.

Punctuality

Please note that it is paramount that your child is punctual to school when they return. We have set up staggered arrival times but all students should normally have arrived in the morning by 08.30 and be in their zones where they should wash their hands. Entry gates will be shut at 08.40 and so all students who are late will need to report to the new Visitors' Reception in the new Reception Building at the front of the Academy. Students who are late to school will cause particular risks with mixing and so late students will need to be escorted to their zones by Senior Staff. The need for punctuality to school each morning is therefore paramount.

Year Group entry and exit points

Year 7: Based in the Annexe (the Old Infant School)	
First day back (Friday 12 March) time of arrival	08.30
First day back (Friday 12 March) entry gate	Queens Square Car Park Annexe gate
First day back meeting point at 08.40	Normal Period 1 (Week A) teaching room
First day back (Friday 12 March) exit gate	Queens Square Car Park Annexe gate
Normal day (from Monday 15 March) time of arrival	08.30
Normal day (from Monday 15 March) entry gate	Queens Square Car Park Annexe gate
Normal day (from Monday 15 March) social area (to wait for 08.35 movement bell)	Annexe playground
Normal day (from Monday 15 March) exit gate	Queens Square Car Park Annexe gate

Year 8: Based in the David Bartram Building	
First day back (Wednesday 10 March) time of arrival	08.30
First day back (Wednesday 10 March) entry gate	Main gates (Norwich Road) then through bus gate
First day back meeting point at 08:40	Normal Period 1 (Week A) teaching room
First day back (Wednesday 10 March) exit gate	Bus gate then up to the main gates (Norwich Road)

Normal day (from Thursday 11 March) time of arrival	08.30
Normal day (from Thursday 11 March) entry gate	Main gates (Norwich Road) then through bus gate
Normal day (from Thursday 11 March) social area (to wait for 08.35 entry bell)	Humanities side of Snack Shack area
Normal day (from Thursday 11 March) exit gate	Bus gate then up to the main gates (Norwich Road)

Year 9: Based in the new Reception Building	
First day back (Thursday 11 March) time of arrival	08.25
First day back (Thursday 11 March) entry gate	Main gates (Norwich Road) then through bus gate
First day back meeting point at 08.40	Normal Period 1 (Week A) teaching room
First day back (Thursday 11 March) exit gate	Main reception to the main gates (Norwich Road)
Normal day (from Friday 12 March) arrival time	08.25
Normal day (from Friday 12 March) entry gate	Main gates (Norwich Road) then through bus gate
Normal day (from Friday 12 March) social area (to wait for 08.35 movement bell)	MFL side of the Snack Shack Area
Normal day (from Friday 12 March) exit gate	Main reception to the main gates (Norwich Road)

Year 10: Based in the Main Building	
First day back (Monday 8 March) time of arrival	08.25
First day back (Monday 8 March) entry gate	Queens Square pedestrian gate
First day back meeting point at 08.35	Normal Period 1 (Week A) teaching room
First day back (Monday 8 March) exit gate	Queens Square pedestrian gate
Normal day (from Tuesday 9 March) time of arrival	08.25
Normal day (from Tuesday 9 March) entry gate	Queens Square pedestrian gate
Normal day (from Tuesday 9 March) social area (to wait for 08.40 entry bell)	Main Playground – enter by lower gates by Sixth Form block (not at top steps)
Normal day (as from Tuesday 9 March) exit gate	Queens Square pedestrian gate

Year 11: Based in the Maths/Computing Building	
First day back (Monday 8 March) time of arrival	08.20
First day back (Monday 8 March) entry gate	Queens Square pedestrian gate
First day back meeting point at 08.35	Normal Period 1 (Week A) teaching room
First day back (Monday 8 March) exit gate	Queens Square pedestrian gate
Normal day (from Tuesday 9 March) time of arrival	08.20
Normal day (rom Tuesday 9 March) entry gate	Queens Square pedestrian gate
Normal day (from Tuesday 9 March) social area (to wait for 08.40 entry bell)	Ball court or central path
Normal day (as from Tuesday 9 March) exit gate	Queens Square pedestrian gate

Year 12: Based in the Sixth Form Block	
---	--

First day back (Monday 8 March) time of arrival	08:30
First day back Monday 8 March) entry gate	Queens Square pedestrian gate
First day back meeting point	Normal Period 1 (Week A) teaching room
First day back Monday 8 March) exit gate	Queens Square pedestrian gate
<hr/>	
Normal day (as from Tuesday 9 March) time of arrival	08.30
Normal day (as from Tuesday 9 March) entry gate	Queens Square pedestrian gate
Normal day (as from Tuesday 9 March) exit time	Year 12 should wait until 15.20 to ensure Year 11 and Year 10 have cleared the back gate area
Normal day (as from Tuesday 9 March) exit gate	Queens Square pedestrian gate

Year 13: Based in the Sixth Form Block	
First day back (Monday 8 March) time of arrival	08.30
First day back Monday 8 March) entry gate	Queens Square pedestrian gate
First day back meeting point	Normal Period 1 (Week A) teaching room
First day back Monday 8 March) exit gate	Queens Square pedestrian gate
<hr/>	
Normal day (as from Tuesday 9 March) time of arrival	08.30
Normal day (as from Tuesday 9 March) entry gate	Queens Square pedestrian gate
Normal day (as from Tuesday 9 March) exit time	16.15 – apart from Mondays when there is no Period 6. Year 13 should wait until 15.20 on Mondays to ensure Year 11 and Year 10 have cleared the back gate area
Normal day (as from Tuesday 9 March) exit gate	Queens Square pedestrian gate

Please note:

- Students will spend their first tutor time being reminded of the Expectations, Systems and Procedures in place in school.
- As from Monday 8 March, we will continue with the same school times as from September 2020 (see Appendix 3).
- As from Tuesday 9 March, Year 11 and Year 13 will continue with Period 6 and will thus leave the Academy later than all other students at 16.15. We will be reinstating the late bus for this.
- We will still provide supervision for the children of critical workers and vulnerable in their own bubble zones until the return day for their year group when they will join their peers. The rooms currently being used for this supervision are likely thus to change and students will be made aware of this.

Uniform: Main Academy (Student Uniform is shown in Appendix 2)

Mask and face coverings: We will continue with the expectation that students and staff wear face masks/coverings in indoor areas, including classrooms. This is now a Government expectation. Students and staff should bring in a sealable plastic bag to keep their mask in when not wearing it. Any masks which are disposed of must be put in lidded bins.

PE Uniform

Expectations for PE uniform will be the same as last term, with students wearing their PE kit on their PE lesson days. PE kit is still part of school uniform and so because we do not wish this option to become a 'fashion parade', tracksuits and hoodies that feature a logo **must not be worn**. Our uniform supplier does supply plain navy blue tracksuits and you can also purchase such items through other main retail outlets as well as larger supermarkets.

The most important requirement is that they are plain with no logo please. Should you have any financial concerns about this then please do speak to our Student Support Team.

Stationery Kit

It is vital that your child has their own stationery kit as they will not be allowed, nor wish to, share stationery equipment with other students for obvious viral preventative measures (the expected basic stationery kit is shown in Appendix 2). Please remember that it is essential for students to bring a reading book as we will continue with quiet reading ('ERIC') on lesson transitions.

Curriculum

Focus, resilience and hard work from students, teachers and parents alike, often under difficult circumstances, has meant that during the recent lockdown the majority of subjects were able to deliver lesson content that was similar to that which they had planned for a normal term. However, some subjects, particularly the more practical ones such as PE, Technology and Music, had to make more significant changes. We will now adapt the teaching going forward to ensure that we still deliver an ambitious, broad and balanced curriculum and that the core knowledge in each subject is still delivered and that any "gaps" brought on by the lockdown are identified and addressed.

We will:

- Use "low stakes" testing to establish where students are and if there are any "gaps" we need to fill. Students need to understand that these are to inform us where they are, rather than to make judgements about them and should try not to worry too much.
- Use our comprehensive curriculum plans to identify and focus on checking the crucial learning. We will then free up time within each subject, by reducing the detail in a few less critical areas, to ensure the core is covered.
- Keep the same provision of time for each subject as we had always planned – there will be no subjects reduced to make time for others.
- Continue with the extended school day for Year 11 and Year 13 students. As before, for Year 11 students, most time will be given to English, Maths and Science. We will, of course, closely follow the Government instructions on the replacement for exams and will do everything we can to ensure students achieve their full potential. For other year groups, we have planned how we will cover exam content in plenty of time, without currently need to extend the school day.
- Provide small group and one-to-one additional tuition and mentoring to students who we have identified as being particularly impacted by the lockdown.

Supporting Student Wellbeing

- On our return, we will continue to keep the environment as normal as possible (e.g. by not using excessive amounts of yellow/black tape etc).
- We are insisting on masks being worn in indoor areas in school to support prevention measures but also to support student wellbeing. Similarly, hand sanitiser and wipes will also be provided but if you wish, your child can bring in their own small bottle of sanitiser or packet of wipes too.
- Tutor time will still be at the end of the day (see school day timings in Appendix 3) in order that any problems/concerns from the day can be addressed.
- Progress Leaders (Heads of Year) will continue to also be around in the year group zone in tutor time at the end of the day to provide support.
- We will continue with our Student Support Team being spread across the site and so there will continue to be a designated Student Support Mentor for each year group based in each zone working from the dedicated 'Resource Room'. Student Support Mentors will thus continue to work with students who need particular support.

Pastoral Support

We are all aware that the lockdown has been a difficult time for many of us, including our students. Please let us know if you think your children might need extra support when returning to school, if they feel particularly anxious about coming back or they are experiencing or have experienced a bereavement.

Parents and carers wishing to raise any concerns can contact the Student Support Team by email at studentsupportteam@attleboroughacademy.org or please leave a message on 01953 450342 to do this.

The Student Support Team will continue to monitor and check on students who they are already working with. Workshops and SEN interventions will still go ahead. Those students with Student Support Plans will still be monitored in the same way.

We are extremely grateful for all the support we have received during this time from parents and carers and our community. It has been a truly marvelous collective effort to achieve what we have in spite of the uncertainty and anxiety. Many thanks, again, to the high number of you who have sent in messages of thanks, appreciation and support. We appreciate that you recognise the fact that we will always endeavor to do the absolute best for your children. It has always been our wish to get our students back as soon as possible and we have worked hard on the provision of remote learning and support and putting in the measures to ensure we can receive them back in as safe an environment as possible. I hope that in reading our plans you will, again, understand the lengths we are going to in order to ensure your child and our staff can return to school as safely as possible and I trust you will be reassured by this. We will continue to keep in touch if there are any updates to our plans or if we need to make changes due to new or updated Government advice.

Meanwhile we will look forward to the return of all students in the week commencing Monday 8 March.

Best wishes

Mr McShane
Executive Principal

Appendices:

- Appendix 1: Safety Measures
- Appendix 2: Student Uniform and Basic Stationery Kit
- Appendix 3: New School Day Timings (Covid Period)
- Appendix 4: School Transport

Appendix 1: Safety Measures

Safety Measures

When your child comes into school, we will have the following protective measures in place:

Procedures for going to and from school

- Students, parents and staff are advised to keep their use of public transport to a minimum. Staff and students are encouraged to walk or cycle to school if possible.
- Students will enter and exit from specific gates at staggered times (see above) to minimize mixing of bubbles.
- They will be expected to wash their hands in their zone areas on arrival.
- We will continue to close the Main Gates just before 15.15 in the afternoon to allow the safe exit of students across the main drive.
- For those students who travel to the Academy by school transport, please see Appendix 4.

What students should take to and from school

- All students are encouraged to only bring essential items to school (e.g. bags, basic stationery kit and reading book). The basic stationery kit (see Appendix 2) is expected.
- Each student/staff member must use only their own resources i.e. their own stationery kit and own reading book. Similarly, students who bring in packed lunch must not share any food or drink.

How students will be kept safe in school

- Classes are in year group zones and thus kept apart in separate “bubbles” to minimise contact with other year groups. They have separate social areas and separate food serveries. Barriers are placed at relevant points along pathways to signify entrances to the different zones.
- All staff will be briefed on the key hierarchy of control measures e.g. social distancing and good hygiene. Signage is displayed throughout the school.
- Children and staff will be expected to sanitise their hands frequently and definitely at the change of any activity (e.g. entering a new classroom).
- Cleaning regimes have been enhanced. Tables, chairs and other work surfaces will be disinfected as a minimum daily and always before another bubble uses a room occupied previously by a different bubble. Toilet areas will be cleaned regularly throughout the day.
- All key touchpoints, door handles, work surfaces, light switches, toilet flusher, taps, sinks etc will be cleaned regularly e.g. at break times and after lunch in addition to normal cleaning routines.
- Laptops and computer keyboards and mice are to be wiped before/after each use with wipes provided.
- Tissues, wipes and lidded bins will be provided in all occupied areas and toilets.
- Any specialist room or equipment used by one bubble e.g. Science, Music, DT, Food Tech, PE changing rooms and equipment will be thoroughly cleaned before a different bubble can use it.
- Teaching staff can work across different year groups in order to deliver the school timetable, but they will keep their distance from students and other staff as much as they can (ideally 2 metres apart wherever possible). Teachers will thus move to the classrooms and students will remain in their zones.
- Students must not move out of their zones unless they are supervised by staff.
- Classrooms will be ventilated as much as possible by windows being opened and non-fire doors wedged open. Students are advised to wear under layers in order to keep warm.
- Social distancing markings will be applied where queues may form, as appropriate.
- Visitors to the site, such as contractors, will be kept to a minimum and will have guidance on physical distancing and hygiene explained to them on or before arrival. Visits will happen outside of school hours wherever possible. A record will be kept of all visitors.
- Parents and carers will not be allowed inside the school unless in an emergency or authorised by the Executive Principal.

- Students will be encouraged to keep their distance where possible (even within their bubbles) and particularly from staff (2 metres).
- No large gatherings where mixing of bubbles could occur will be permitted e.g. assemblies.
- Tutor groups will remain as year tutor groups.
- Students will sit at forward facing desks, rather than face to face at circular tables, as far as possible.
- We will continue to operate a Food Servery in each separate year group zone. Meals and snacks will be available from these serveries at both break times and we will continue to ensure that hot food is available from all serveries.
- Food serveries are designated to a bubble to keep groups apart at break times and avoid creating busy corridors, entrances and exits. Students who bring in packed lunch can eat in the designated eating area for the bubble after wiping down the outer casing of their lunchbox. No food or drink must be shared
- We will continue to use the 'Cashless' system for purchase of meals and snacks. This ensures no transfer of money or touch as we have changed the process so that thumb recognition pads will not be used at the tills.
- Any student with complex needs or who needs close contact care will have the same support as normal. Staff will be rigorous about hand washing and respiratory hygiene.
- Supply teachers, peripatetic teachers and other temporary staff will be told to minimise contact and maintain as much distance as possible from students. The number of temporary staff entering the school premises will be kept to a minimum.
- Specialists, therapists, clinicians and other support staff for students with SEND will provide interventions as usual. These staff will be advised to be rigorous about hand washing and respiratory hygiene.

Appendix 2: Student Uniform

Item	Requirement
Blazer	The Academy blazer should be worn at all times with sleeves rolled down. However, students may remove their blazer when on the playground and in the Dining Hall when seated. Out of courtesy, students need to ask their supervising teacher's permission to remove a blazer in class.
Shirt	Plain white, long sleeved shirt with a traditional collar and top button that can be fastened. Shirts should be fully done up at the neck at all times. Shirts should be tucked in at all times.
Ties Ties are to be purchased from the Academy Office	The Academy tie is a clip-on variety. It must be worn correctly at all times which means that the top shirt button must be fastened. The Academy logo will be visible on the vertical part of the tie. The only exception is when a supervising teacher in class gives students permission to remove their ties. Students must put their ties back on at the end of the lesson.
Overcoats	Outdoor coats can be worn only over the Academy blazer. No outdoor coat should be worn in rooms and should be removed on entering the buildings. Outdoor coats can be worn in corridors if students are moving between buildings. 'Hoodie' style garments (sweatshirt material) are not permitted. If a student wears a hoodie, it will be confiscated. In the Summer Term, students do not have to wear a blazer.
Sweaters and Cardigans	All jumpers and cardigans should be plain black and 'V' neck with no patterns, logos, hoods or round necks as they will be confiscated.
Hats and Scarves	Hats and scarves may only be worn outside and removed immediately inside any building.
Trousers	Students are expected to wear traditional tailored trousers, worn to the ankle and plain black.
Skirts	All students are to wear the 'Attleborough Logo Skirt', available from our suppliers. This skirt has the Academy logo and the skirt should be worn touching the knee.
Shorts	Tailored shorts purchased from our suppliers may be worn during the Summer Term only. No other shorts will be acceptable. Shorts must be worn with black socks and black shoes only.
Socks/Tights (worn with a skirt)	Socks must be plain and not brightly coloured. Tights must be black or natural with no patterns.
Shoes	Shoes should be plain black and flat and worn at all times. Trainers are only to be worn in PE but can also be worn on the playground at break times and lunch times. Boots may be worn to and from the Academy but should be removed on arrival (please see 'adverse weather' arrangements).
Belts	Should be plain black and narrow, attached to trousers or skirts (through belt loops).
Undershirts	May be worn but must not be visible in any way (colour/arm length/logos etc). Undershirts and layers are advisable due to the need to ventilate classrooms for Covid prevention purposes
Form Tutors will check daily to adjudicate on questionable items of uniform.	

Jewellery

We discourage the wearing of jewellery for health and safety reasons but the following are acceptable:

- One pair of 'stud' earrings
- One watch
- One additional wrist band (bracelet / charity band etc.)
- One small ring
- Necklaces should not be visible
- No body or facial piercings

Make-Up

Any make-up should be discreet. Nail varnish will need to be removed in Catering lessons.

Hair

No extreme hairstyles are permitted. No extreme colours are permitted.

Personal Protective Equipment (PPE)

Students are required to wear PPE where appropriate and when instructed to.

Adverse Weather

In the event of exceptional weather conditions, boots will be acceptable but must be changed once on site.

Boys' Compulsory PE Kit Blue House coloured polo shirt (Academy Supplier) Navy blue shorts White socks Navy blue football socks Training shoes or plimsolls (appropriate for activity e.g. non-mark soles) Football boots Shin pads Gum guard	Boys' Additional PE Kit items Multi blue rugby shirt (Academy supplier) Navy blue tracksuit bottoms (Academy supplier) OR Plain navy blue tracksuit Academy hoodie (Academy supplier) OR a plain navy hoodie or sweatshirt NO LOGOS
Girls' Compulsory PE Kit Blue and House coloured polo shirt (Academy Supplier) Navy Blue Shorts (Academy supplier) OR Navy blue skort (Academy supplier) White sports socks Navy blue football socks (Academy supplier) Training shoes or plimsolls (appropriate for activity e.g. non-mark soles) Shin pads Gum guard	Girls' Additional PE Kit Items Football boots Navy blue tracksuit bottoms (Academy supplier) OR Plain navy blue tracksuit Academy hoodie (Academy supplier) OR a plain navy hoodie or sweatshirt Sports leggings can be worn under shorts or skort only NO LOGOS

Appendix 3: New School Day Timings (Covid Period)

08:30 to 08:35	Staff Briefing (MS Teams) Teachers in P1 Room
08:30 to 08:40	Students wash hands in zones and move to line up outside P1 classrooms
08:40 to 08:45	Registration and notices with P1 teacher
08:45 to 09:45	Period 1
09:45 to 09:50	Movement of teachers
09:50 to 10:50	Period 2
10:50 to 11:20	Break 1 (11:15 – 5 minute bell)
11:20 to 12.20	Period 3
12:20 to 12:25	Movement of teachers
12:25 to 13:25	Period 4
13:25 to 13:55	Break 2
13:55 to 14:55	Period 5
14:55 to 15:00	Movement of teachers
15:00 to 15:15	Tutor Time (Year Tutor bases)
15:15 to 16:15	Period 6 (KS4 and KS5)

Appendix 4: School Transport

The daily pick up times provided by Norfolk County Council are shown below.

Contractor ref: DOL/34853/0 – BUS 1	IN	OUT

Great Ellingham, Swamp Lane	08:10	15:35
Attleborough Academy	08:20	15:25

The key points to note are:

- Social distancing will not apply on dedicated school transport, but students should sit with their year group or bubble.
- Public transport social distancing should be followed, but students can sit together with others from their school.
- Face coverings are mandatory on public transport and required on all other school transport services for those aged 11 and over.
- Other control measures can also be used, e.g. carrying hand sanitiser.

If you wish to discuss any specific transport arrangements then please contact the Norfolk County Council Transport team on 0344 8008020 or email www.norfolk.gov.uk/schooltransport
